WHY IS DR HYATT? DVD: Gossiping with the Doctor [Christopher S Hyatt, Ph.D. & Richard Wardell] One day, Christopher Hyatt and his friend Rick were enjoying the day and "tossing back a few," as Rick would say. So, naturally, they broke out the video camera to conduct an "interview." The result is this fun-filled, straight-from-the-shoulder and definitely gossipy DVD. Hyatt discusses his lineage from Aleister Crowley; S. Jason Black as galley slave; his relationship with Israel Regardie; his rather "unfulfilling" history with the OTO, sailing for AIDS research; the direction of his current work; his favorite cognac; the future of Magick, and a whole bunch more.
