BECOMING LIKE GOD: Kabbalah & Our Ultimate Destiny [Michael Berg]

In his continuing work to demystify and teach the ancient, esoteric texts of Kabbalah, Michael Berg suggests that the time is right for people to break free of "ego nature" and achieve total joy and immortality: in other words, to "become like God". Advising ruthless honesty about human life -- its pain, suffering, and death -- and then providing an escape plan based on those truths, Berg uses the tools of Kabbalah -- such as the Zohar, the key text of the discipline -- as well as the collective energy of all the individuals sharing this path to help form that critical mass that will allow everyone to realise their true, joyous nature. This book gives readers the methodology to be applied at every moment to destroy ego, begin transformative sharing, and create a path to realise their true, godlike nature.

The power of life, good health, well being and spiritual Light are now available to all mankind! Its a powerful healing tool, that is filled with blessings and connections that relate to practically every kind of illness in existence. This is the first time in human history that the healing secrets of these ancient prayers, that have been recited since the time of King David, have been revealed publicly. The book is priceless because once you know what illness is being treated, you suddenly activate the power of the prayer. The Baal Shem Tov says that if we do not know and accept the fact that ALL illness has a spiritual origin, we can never heal ourselves. So, this book works the same way, we have the knowledge of what spiritual healing forces are being released through each prayer. that information is what powers up the prayer and allows healing to take place. DAYS OF CONNECTION: A Guide to Kabbalah's Holidays & New Moons [Michael Berg]

The ancient wisdom of Kabbalah teaches that each month of the lunar year holds different opportunities for us to grow and change and, conversely, holds unique pitfalls for getting stalled on our journey toward spiritual transformation. The special power of each month is strongest at its beginning, the time of the new moon, known as Rosh Chodesh. And holidays are unmatched as windows in time that make specific kinds of spiritual energy available to us. In Days of Connection, Michael Berg guides us through the kabbalistic calendar and explains the meaning and power behind all of these special days.

DAYS OF POWER: Part 1 [Rav P S Berg]

As Rav Berg teaches, there are certain moments in the course of the year when unique and transforming energies become available. By connecting to these energies, you can absolutely revolutionise your experience of life in the everyday world. You can bring an end to chaos in all its forms, including physical and emotional pain, illness and ageing, and ultimately even death itself. Exactly what does it take to connect to the energy of the holidays No one understands the answer to that question better than Kabbalist Rav Berg, who has devoted a lifetime to learning and living the wisdom of Kabbalah. In Days of Power, Rav Berg not only describes the timeless rituals and ceremonies associated with the holidays, he also explains their meaning with a depth, precision, and passion that no other authority has ever achieved. In these pages the holidays come alive, not just as commemorations of historic events, but as dynamic opportunities for change and growth. From this perspective, observing the holidays is not a religious obligation, but a choice you can make for the clear purpose of transforming your life. You, no matter who you are, can make that choice right now. This is totally unrelated to the religion in which you were raised, or the country where you were born, or any other comparatively superficial fact about you. . . The all-important first step is simply understanding that the opportunities described in this book are not just available to you, but divinely intended for you. The rest is between you and the Light.

DAYS OF POWER: Part 2 [Rav P S Berg]

With the second volume of "Days of Power", Kabbalist Rav Berg continues his revelation of the secret energies of the holidays. This is vital information, and it has never been more urgently needed than it is today. For as the Rav makes clear, there is only one solution to the chaos that now besets the world. That solution is the wisdom of Kabbalah, and the powerful energies that become accessible to us at specific moments of the year. These moments are the holidays, each of which has unique power and purpose. Moreover, the power and purpose of the holidays are intended for everyone. Like Kabbalah itself, the holidays transcend any religion or nationality. They are truly the shared birthright of all humankind. By bringing the power of the holidays into our lives, we can transform ourselves. What's more, as greater and greater numbers of people achieve this transformation, pain, suffering and every form of chaos will literally be erased forever. Even death itself will cease to hold dominion. This is not a dream. It is not even a miracle as that word is usually understood. Rather, it is the true purpose of our existence. Far from being mere commemorations, the holidays are key tools for attaining that purpose, and "Days of Power" is a practical users manual for each and every holiday.

KABBALAH CONNECTION: Preparing the Soul for Pesach - Revised Edition [Kabbalist Rav Berg]

Kabbalistically, ego is the source of evil, destruction and suffering in this world. It is the aspect of our nature that separates us from the Light of the Creator, and from our destiny of happiness. This book describes the powerful spiritual technology built into the system of Creation to help us gain control over the ego. This technology is Passover (Pesach). Each year, the window of time known to many as Pesach, gives us the ability to escape this source of misery in our own lives. Although many believe Pesach to be holiday for the Jewish people commemorating their freedom from Egypt, it is in fact, the greatest transformation agent we have against the ego. Utilising metaphysics and physics, the book reveals the consciousness we can utilise the night before Pesach, so we can remove the ego and open ourselves up to the Light. This is the necessary step to achieving spiritual fulfilment.

KABBALAH HAGGADAH: Pesach Decoded [Yehuda Berg]

To paraphrase the question most commonly associated with the Passover Seder: Why is this Haggadah different from all other Haggadah? This book decodes each part of this ancient text and its corresponding ritual, explaining the Kabbalistic concepts that they illustrate. With this knowledge, readers and Seder participants can easily take advantage of the windows of opportunity that the holiday affords to connect with the Light and achieve higher consciousness. KABBALAH ON GREEN: [Yehuda Berg]

Because of the well-known red string, worn on the left wrist to ward off negative energy, the colour red is often associated with Kabbalah. But green is also a powerful colour in this ancient tradition. It represents the central column between right and left, positive and negative, giving and receiving. As such, green signifies the balance that is so important to the survival of the planet. Green is also the colour of healing, both of the soul and of the Earth. Kabbalah teaches that eco-consciousness and higher consciousness are inextricably linked and that the forces of environmental destruction can only be overcome through personal transformation on a global scale. This book gives new meaning to the popular catchphrase "think globally; act locally". In its pages, readers learn that true environmental consciousness goes far beyond recycling and simple slogans.

KABBALAH ON LOVE: [Yehuda Berg]

Based on a popular series of talks given by renowned Kabbalist Yehuda Berg, this book offers a simple yet profound message: love is not something that is learned or acquired, but an essence within, waiting to be revealed. Buried by layers of ego, fear, shame, doubt, low self-esteem, and other limitations, love can only be activated by sharing and serving unconditionally. Only then will the layers fall away and the essence of love reveal itself. Berg makes the distinction between love and need -- which is a selfish product of ego -- and reminds readers that only after connecting with the love within, and learning to love themselves, can they truly love someone else. This charming book, published just in time for Valentines Day, is also a thoughtful gift for any day of the year.

KABBALAH ON PAIN: [Yehuda Berg]

Noted Kabbalah teacher and author Yehuda Berg takes on the difficult subject of emotional pain. Kabbalah teaches that there is a war constantly being waged between the Light and the Opponent, both in the world at large and within ourselves. Our pain can be used against us in this ongoing battle, unless we deal directly with it and view it as a tool for growth and transformation. In this way, we are able to remove one of the Opponent's main weapons, resulting in greater personal fulfillment and, ultimately, a better world.

KABBALAH ON SLEEP: [Yehuda Berg]

Despite the plethora of pills, pillows, and other aids, millions of sleep-deprived people have yet to find the relief they are seeking. Now Yehuda Berg reveals that the real purpose of sleep is not rest for the body but rejuvenation of the soul. According to Kabbalah, sleep is when a major portion of the soul leaves the body and travels toward the Light to connect and recharge. This book provides the Kabbalistic tools readers need to use sleep as an effective part of on-going spiritual work. These include understanding dreams, rising to study during the night, scanning the Zohar, prayers and meditation, and "all-nighters" on certain holidays that forge a connection with immortality. The book demonstrates that the true nature of sleep has more to do with consciousness than unconsciousness, and as such it offers an invaluable solution to one of modern life's greatest challenges: a good night's sleep.

KABBALISTIC ASTROLOGY: & the Meaning of Our Lives [Rav Berg]

Ancient Kabbalistic mysticism and the search for meaning by looking to the stars are related in ways that may surprise readers. Kabbalah, in fact, offers arguably the oldest and wisest application of astronomy and astrology known to humankind. Kabbalistic Astrology is a tool for understanding one's individual nature at its deepest level and putting that knowledge to immediate use in the real world. A natural addition to Berg's many writings on spirituality, the book explains why destiny is not the same as predestination and shows that we have many possible futures and can become masters of our fate. Written in Berg's trademark clear, intelligible style, the book teaches how to discover challenges faced in previous incarnations and how to overcome them, as well as the secrets to finding the love, success, and spiritual fulfillment.

KABBALISTIC BIBLE - DEUTERONOMY [Yehuda Berg]

Text in English & Hebrew. The Book of Deuteronomy is the final book of the Five Books of Moses, said to have been written by Moses himself. Moses waited 40 years for permission by the Creator to admonish the Israelites for their mistakes, interpreted by kabbalists as teaching the Israelites the Universal Law of Cause and Effect. With this teaching, Moses helped to spiritually prepare their souls for entering the land of Israel. According to Kabbalistic tradition, the day an elevated soul like Moses leaves this world, he reveals secrets that he was previously unable to reveal. The Book of Deuteronomy is this revelation. Deuteronomy is edited and features contemporary insights by noted Kabbalah scholar and teacher Yehuda Berg. The text is complimented by excerpts from the Zohar and from the writings of three of history's greatest Kabbalists, Rav Yehuda Ashlag, Rav Yehuda Brandwein, and Rav PS Berg. KABBALISTIC BIBLE - EXODUS [Yehuda Berg]

Text in English & Hebrew. Most people know that Exodus, the second book of the Bible and the second of the Five Books of Moses, tells the story of Moses leading the Israelites out of bondage. But what they don't know is the story behind Exodus, or how they can use this backstory to connect with a higher realm. Kabbalah teaches that the lesson of the parting of the Red Sea is that within all humans lies the power to do anything if they relinquish fear and inject certainty into the equation: consciousness controls reality. This new rendition of Exodus is the second book of the Kabbalistic Bible, which forms a bridge between the Zohar, the sacred text of Kabbalah, and the Torah or Bible. Edited and annotated by noted Kabbalah scholar Yehuda Berg, this volume is printed front-to-back, with Hebrew and English translations printed on facing pages.

KABBALISTIC BIBLE - LEVITICUS [Yehuda Berg]

Text in English & Hebrew. Leviticus, the third book of the Bible, provides the key tenet of Kabbalah: Love thy neighbour as thyself. It also sets out rules about dietary restrictions, sacrificial offerings, cleanliness, disease, certain behaviours, and more. Kabbalah reveals the code behind these regulations, explains what they really mean, and makes their relevance to modern life both clear and compelling. For instance, sacrifice is not about killing animals, but about facing and overcoming obstacles. This new rendition of Leviticus is the third book of the Kabbalistic Bible, which forms a bridge between the Zohar, the sacred text of Kabbalah, and the Torah or Bible. Edited and annotated by noted scholar and teacher Yehuda Berg, Leviticus features the writings of renowned Kabbalists Rav Yehuda Ashlag, Rav Yehuda Brandwein, and Rav P. S. Berg. This book uses a user-friendly format, with the Hebrew and English printed on facing pages, and printed front-to-back.

KABBALISTIC BIBLE - NUMBERS [Yehuda Berg]

Text in English & Hebrew. To grasp the inner meaning of the Book of Numbers, one has to comprehend the innate energy of the desert as a spiritual vacuum. More than just a physical environment, the desert represents the darkness of our ego that we are meant to overcome in order to bring the Light into our lives. It is the ego that we are ultimately enslaved to as it hides in our fears, doubts and limitations. As the Israelites who were led by Moses from bondage to the land of Canaan, we too can take control of our own journey by understanding the concepts of slavery and freedom. The purpose of this book is to bring the Creator's Light into the "desert" in which the world finds itself. The stories guide readers to the Spiritual Promised Land -- which is their true destiny.

NANO: Technology of Mind Over Matter [Rav Berg]

Public interest in the connection between science and religion has recently become very high, but the subject has long been studied by Kabbalists. Years before "nano" entered the vernacular as an abbreviation for "nanotechnology" -- which essentially means "less is more" rather than "the bigger, the better" -- Rav Berg was speaking and writing about this scientific concept in spiritual terms. And although the concept that less physicality can produce more power was only a recent discovery by scientists, it's something that Kabbalists have known throughout the ages. In his first new book in many years, Berg examines this idea in depth. He contends that space will continue to shrink until there is nothing between humans and the world around them, lending support to the notion that "we are all one" -- and by extension, to the credo "love thy neighbour as thyself".

SPIRITUAL RULES OF ENGAGEMENT: How Kabbalah Can Help Your Soul Mate Find You [Yehuda Berg]

Over a decade after the runaway best-seller "The Rules" advised women on how to land "Mr Right," it's time for a new set of rules that takes a more spiritual approach. These rules are based on the timeless wisdom of Kabbalah and the very nature of the Universe itself. This book describes how Kabbalah views relationships and what makes them work (or not work); and reveals that it is the woman who holds the power to determine the outcome. The book explains the spiritual reasons behind the way in which men and women think and act differently. Although not a book of dating tips, its rules do work. They have to work: They are the Laws of the Universe. You'll learn the true meaning of the term "soul mate"; and why it is that your soul mate has to find you, not the other way around. Written by a kabbalistic teacher who regularly provides counsel to hundreds of individuals and couples, and who is happily married himself, the book will resonate with people of all backgrounds. These are more than just rules of engagement; they're rules for creating a happier, more fulfilling life.

TAMING CHAOS: Harnessing the Power of Kabbalah to Make Sense of Our Lives [Kabbalist Rav P S Berg]

In this significant work, eminent Kabbalist Rav Berg explains how it is possible to simply and easily tame the chaos in life with the tools found in the wisdom of Kabbalah. According to Rav Berg, chaos is not random but the result of an incomplete understanding of one's own personal power and the spiritual systems that can energise life. Only by becoming fully cognisant can the human mind bring lasting order out of chaos. Readers will discover a millennia-old methodology that provides access to a bank account of positive energy. Designed to help people maintain order, even when it seems to be impossible, a copy of this book belongs on every shelf.

TEN LUMINOUS EMANATIONS: Volume 2 [Dr Philip S Berg]

Before our universe came into existence there existed an infinite endless realm of total fulfilment and perfection. Suddenly it all seemed to vanish and the Big Bang was born leaving behind a finite realm of existence where chaos suffering and pain would apparently be the rule. The most profound mystic of the 20th century Rabbi Yehuda Ashlag reveals the process of creation leading up to the Big Bang origins of our universe.

TRUE PROSPERITY: How to Have Everything [Yehuda Berg]

Money is energy, and harnessing it involves utilising a spiritual business plan the Universe has blueprinted for us. This entails: being the cause and not the effect in life; taking responsibility; breaking chains of routine thinking and guilt; and using stress as a surfboard to ride to new levels of wealth and achievement. Yehuda shows how to use goals strategically and flexibly to create abundance in all areas of life. By arming ourselves with certainty, we can overcome The Competitor (code word for ego), and continually be at the right place at the right time, making the right business decisions. Utilising spiritual principles can help us to attract more sustenance from the universe, as well more fulfilment in a world that works better for everyone.

WAY OF THE KABBALIST: A User's Guide to Technology for the Soul(tm) [Yehuda Berg]

Yehuda Berg describes exactly what those who practice Kabbalah do and why they do it. All are designed to bring more Light into life and the world, and ultimately, personal transformation. Berg explains the significance of certain clothing and colours, hair and head coverings, special days and meditations, immersion in water and rolling in snow, incense and candle-lighting, food classifications and combinations, and much more. Everything readers ever wanted to know about the spiritual technology taught successfully by The Kabbalah Centre world-wide is defined here, in the essential Kabbalah user's manual.

WHAT GOD MEANT: Volume 1 - A Collection of Teachings on Genesis [Michael Berg]

In this simple and eloquent compilation of Bible teachings, Kabbalah scholar Michael Berg imparts wisdom from decades of research and sources unique to his lineage. Gems of insight from Rav Berg, Rav Ashlag, the Ari, and the Zohar are complemented by teachings from the Age of Enlightenment. Tapping this period of the 18th century is especially appropriate for this book: here Michael offers readers a shot at true illumination. Kabbalah explains that the Bible is neither just a book of stories to be taken literally nor an historical archive of events. Although these occurrences took place thousands of years ago, there are relevant spiritual truths hidden within each tale. In the five-volume set of What God Meant, Michael addresses contemporary challenges in a manner that affirms, even in the worst situations, that there is goodness and opportunity. The knowledge shared within these pages can awaken our desire for transformation, and thereby lead us to fulfill our real purpose. In Genesis, the first book in the series, Michael delves into the patriarchal relations with our Creator and guides us on how to improve our personal relationship with the Light. From this point, everything is possible.

WHAT GOD MEANT: Volume 2 - A Collection of Teachings on Exodus [Michael Berg]

In this second book of the What God Meant series Kabbalah scholar Michael Berg imparts wisdom both from decades of research and from sources unique to his lineage. Gems of insight from Rav Berg, Rav Ashlag, the Ari, and the Zohar are complemented by teachings from the Age of Enlightenment. Tapping into this period of the 18th century is especially appropriate for this book because here Michael offers readers a shot at true illumination. Kabbalah explains that the Bible is neither just a book of stories to be taken literally nor an historical archive of events. Although these occurrences took place thousands of years ago, there are transcendent fundamentals hidden within each tale. In this book Michael Berg drills through complex concepts to reveal essential spiritual truths. He addresses contemporary challenges by demonstrating that each one of us is powerful and can change the way God planned events; that if we want good in this world, we can demand it now. We do not have to accept things as predetermined. We can expand our perception to see God in everything and everyone. Through these examples and more, we are inspired to reveal Light in even the darkest of places. The knowledge shared within these pages can awaken our desire for transformation, and thereby lead us to fulfill our real purpose.

ZOHAR SET - VOLUMES 1 TO 23 [Shimon Bar Yohai]

Zohar is a Hebrew word that means *splendor*. In its simplest form, the *Zohar* is a commentary on the Bible. Although the wisdom available in its pages is older than Creation itself, the text of the *Zohar* was composed approximately 2000 years ago. In the centuries that followed, the *Zohar* was often suppressed by religious and secular authorities who feared its power to transform the lives of those who gained access to the sacred writings. The sages of Kabbalah also realized that the *Zohar* must wait until humankind was ready to receive it. Michael Berg was the first person ever to translate the entire 23-volume *Zohar* from ancient Aramaic into English, a monumental task which he began at the age of 18 and finished ten years later. Through his translation we discover the *Zohar* deals very directly with concepts of reincarnation, visionary experiences, and the presence of unseen influences in our midst. Today we are able to accept these ideas that were once perceived as inexplicable mysticism or dangerous sorcery. We have the capacity to understand the *Zohar*'s true teachings. This is a difficult experience to describe, but by bringing the *Zohar* into your life, you will discover its meaning for yourself.

KETORET CANDLE 11 SCENTS SET

The offering of the ketoret incense was the most powerful of the connections performed in the Holy Temple. The ketoret was a precise blend of eleven herbs and balms whose exact ingredients and preparation were directed by G-d to Moses. For Millennia, Kabbalists have used this unique blend as a ladder by which to ascend great spiritual heights. Ketoret Candles are comprised of these same 11 ingredients. Picked fresh of course, these sacred scents are captured in a natural non-toxic candle base that provides hours of fragrance and light to support your spiritual work of transformation.
